PROFESSIONAL SUMMARY

Motivated Computer Science student with a strong interest in working in Software Engineering or a similar technical area. Adept at working in a team as well as independently, seeking further development of professional experience and technical skills

WORK EXPERIENCE

Database Engineer Intern, ISC Industries   **Jun 2022 - Present**
- State your achievements at your role in this format: "[Action verb] + what you did + reason, outcome or quantified results". Talk about technologies used.
- State your achievements at your role in this format: "[Action verb] + what you did + reason, outcome or quantified results". Talk about technologies used.

SKILLS

Programming Languages: Java, HTML, CSS, Python, C, Bash, SQL, JavaScript
Technologies: Git, GitHub, Bootstrap and Linux

EDUCATION

Bachelor of Science - BS, Computer Science, Montclair State University   **Dec 2023**
- **Current Coursework:** Computer Networks, Database Systems, Data Structures and Algorithms in Python, Introduction to R Programming, Software Engineering I.
- **Related Coursework:** Data Structures and Algorithms, Computer Systems, Systems Programming, Python Programming II, Fundamentals of Programming Languages, Fundamentals of Programming I & II, Introduction to Linear Algebra, Computational Concepts, Calculus I & II, Data Science and Statistic's. Other school awards like Dean's List, scholarships, community awards, etc.

Master of Science - MS, Computer Science, Montclair State University   **Dec 2024**

PROJECTS

Personal Portfolio Website, http://www.meeteddie.tech/   **May 2022**
- State your achievements in this project in this format: "[Action verb] + what you did + reason, outcome or quantified results". Talk about technologies used.
- State your achievements in this project in this format: "[Action verb] + what you did + reason, outcome or quantified results". Talk about technologies used.

Web Developer, MSU Computer Club Website, https://msucomputerclub.github.io/   **Sep 2021**
- Built a personal portfolio website using HTML, CSS, and JavaScript
- Multipage website to showcase my skills, projects, and more information about myself

Clubs and Activities

Computer Club Vice President, Montclair State University   **Sep 2021 - Present**
- Coordinate and plan meetings with E-board about upcoming events
- Plan and post social media campaigns for the club • Keep in contact with 200+ club members and engage new members to join
